For the year ended March 2025, the Company reported a revenue growth of 95.8% over the previous year, primarily driven by higher sales of gold bars and jewellery, along with the successful introduction of a new product category – platinum bars – which was not part of the portfolio in FY 2023-24.

During FY 2024-25, the Company recorded a remarkable 71% growth in jewellery sales compared to FY 2023-24. This strong performance was supported by consistent demand in the bridal and daily-wear segments, coupled with successful new collection launches. Enhanced customer engagement and focused retail initiatives further contributed to higher conversion rates. The Company’s ability to balance traditional craftsmanship with modern design innovation also played a pivotal role in driving growth. This momentum underscores the brand’s strengthening market position and growing consumer trust.

UNVEILING THE KEY INGREDIENTS OF CORPORATE EXCELLENCE

The journey of Divine Hira Jewellers began with our founder, Hirachand Gulecha, who started in the silver business in 1984. In 1997, he ventured into the gold jewellery segment by founding “Hira Traders.” With a vision to expand, he and his family incorporated “Divine Hira Jewellers Limited” as a public limited company on July 19, 2022. Through a Business Succession Agreement dated September 13, 2022, we acquired the entire assets, liabilities, and business of Hira Traders, effective September 30, 2022.

INGREDIENTS OF CORPORATE EXCELLENCE

Guided by Experience

Our promoters, Hirachand Gulecha and Niraj Gulecha, bring around 30 years and 10 years of experience respectively in the gold and jewellery industry. Their business acumen, knowledge, and management skills have been instrumental in guiding our company to consistently serve our customers with excellence. At Divine Hira Jewellers Limited, we are committed to creating jewellery that is not just beautiful but also meaningful. Each piece we create is a testament to our dedication to quality, craftsmanship, and customer satisfaction.

Exquisite Craftsmanship and Localized Design

Our extensive collection features a wide variety of designs, meticulously crafted to meet the unique preferences of our diverse clientele. From stunning necklaces and mangalsutras to elegant rings and bracelets, our offerings cater to all ages and occasions. We emphasize localized product design, ensuring our creations resonate with regional tastes and cultural nuances. Our recent addition of exquisite antique gold jewellery blends historical artistry with contemporary style, offering pieces that are not just ornaments but cherished legacies.

Collaborative Artistry

We procure gold from reputable bullion dealers and importers, and while we do not have our own manufacturing facility, we have established strong relationships with skilled artisans. These craftsmen, in collaboration with our in-house designers, bring our visions to life, producing a variety of handcrafted jewellery. Whether it's intricate wedding jewellery or everyday wear, our pieces are crafted with precision, reflecting the latest trends and demographic preferences.

Rich Heritage & Strategic Evolution

The roots of Divine Hira trace back to 1984 when founder Hirachand Gulecha began in the silver trade. The firm transitioned into gold jewellery, establishing "Hira Traders" by 1997. In 2022, the business was formalized into Divine Hira Jewellers Ltd, acquiring existing operations through a business succession agreement. This strategic shift allowed them to build upon an established legacy with a clean corporate structure.

Masterful Craftsmanship & Localized Design

Based in Zaveri Bazar, Mumbai, the company merges traditional artistry with contemporary design sensibilities. Their broad range—necklaces, mangalsutras, rings, bangles, wedding jewellery, antique pieces—is tailored to regional preferences, demonstrating both design versatility and cultural resonance.

Leadership Backed by Experience

The promoters bring extensive industry experience—30 years for Hirachand Gulecha and over 10 years for Niraj Gulecha. Their insight fuels trust, strategic decision-making, and design excellence.

B2B Focus & Lean Operations

Operating primarily on a B2B model, Divine Hira serves wholesalers, showrooms, and retailers in bulk. Their manufacturing is outsourced to skilled artisans, allowing them to maintain a lean staff while staying agile, scalable, and cost-efficient.

Trust, Transparency & Customer-Centricity

The company emphasizes transparency in pricing, consistent quality, and personalized customer service. This customer-first ethos, combined with their design innovation and vendor relationships, fosters long-term loyalty and repeat orders.

Clear Growth Strategy with IPO Momentum

With the SME IPO listing on the NSE, Divine Hira plans strategic use of the raised funds—primarily for working capital, debt repayment, and general corporate needs. Expansion plans include scaling into other Indian states, exploring exports, and potentially establishing in-house manufacturing and showrooms in the future.

FROM THE CHAIRMAN'S DESK

FY 2024-2025 was a landmark year for Divine Hira Jewellers Ltd. — a year where we doubled our revenues, strengthened our profitability, and successfully entered the capital markets with our IPO. This achievement is a reflection of the trust our customers, artisans, and investors place in us.

As we move forward, our focus remains on blending timeless craftsmanship with contemporary design, expanding our reach, and creating sustainable value for all stakeholders. With your continued support, I am confident we will scale even greater heights in the years ahead.

DEAR SHAREHOLDERS,

F.Y. 2024-2025 has been a year of transformation and triumph for Divine Hira Jewellers Ltd. We not only achieved significant growth in our revenues and profitability but also marked a historic milestone with our successful SME IPO on the NSE Emerge platform.

Our revenues more than doubled from ₹183 crore in FY 2023-24 to approximately ₹359 crore in FY 2024-25, while our profit after tax rose nearly fourfold to ₹5.56 crore. This performance is a testament to our strong fundamentals, efficient operations, and the trust our customers place in us.

The IPO was not merely a fundraising exercise; it was an endorsement of our vision — to blend traditional artistry with modern designs, catering to diverse markets while maintaining our unwavering commitment to quality and transparency. The proceeds will allow us to strengthen our working capital, reduce debt, and invest in strategic growth initiatives, including expanding our footprint beyond Maharashtra.

Looking ahead, our focus remains clear:

- Enhance design innovation to cater to evolving customer preferences.
- Strengthen relationships with artisans and suppliers.
- Build a more agile and technology-driven supply chain.
- Explore potential for in-house manufacturing and retail expansion.

I extend my heartfelt gratitude to our employees, artisans, partners, and investors who have been integral to our journey. With your continued trust, we are poised to scale new heights in the years ahead.

Leveraging our strong foundations

FY 2024-2025 has been a defining chapter in our journey. Building on decades of trust and craftsmanship, we leveraged our strong foundations to deliver record growth – doubling revenues, enhancing profitability, and achieving a successful IPO. These milestones are not just numbers; they are a reflection of our enduring values, customer loyalty, and the dedication of our people.

As we look ahead, we will continue to draw strength from our legacy while embracing innovation, expanding our market presence, and creating lasting value for our stakeholders. Our journey is one of resilience, vision, and purpose – and together, we will reach even greater heights.

F.Y. 2022-2023 - a challenging year

FY 2022-2023 tested our resilience as we navigated market uncertainties, supply chain disruptions, and shifting consumer sentiment. Despite these challenges, we remained committed to our core values – trust, craftsmanship, and customer focus. Through prudent financial management, operational discipline, and the dedication of our team, we weathered the storm and safeguarded the business.

These experiences became the bedrock for our recent successes. The lessons from FY 2022-2023 strengthened our resolve, refined our strategies, and positioned us to seize the opportunities that followed in F.Y. 2023-2024, F.Y. 2024-2025, and our landmark IPO year in F.Y.2024 - 2025.

Building an ethical business

At Divine Hira Jewellers Ltd., we believe that true success is built not just on financial performance, but on the strength of our values. Integrity, transparency, and fairness are the cornerstones of our business. From sourcing gold responsibly to ensuring complete purity in every piece we deliver, our commitment to ethical practices defines who we are.

In FY 2024-2025, as we expanded our market presence and welcomed new shareholders through our IPO, these principles guided every decision we made. We remain dedicated to building an organisation that not only grows sustainably but also earns the trust of customers, partners, and investors for generations to come.

Way forward

As Divine Hira Jewellers Ltd. enters the next phase of its growth journey, our vision is clear – to transform our strong legacy into a future of sustained leadership in the jewellery industry.

Our priorities for the coming years include:

- Market Expansion – Strengthening our presence beyond Maharashtra and exploring pan-India opportunities.
- Product Innovation – Introducing contemporary designs while preserving the authenticity of traditional craftsmanship.
- Operational Excellence – Enhancing supply chain efficiency and leveraging technology for better productivity.
- Brand Building – Elevating our brand visibility through targeted marketing and customer engagement.
- Sustainable Practices – Embedding responsible sourcing, ethical manufacturing, and eco-conscious operations into our business model.

With a strong foundation, clear strategy, and the trust of our stakeholders, we are well-positioned to achieve consistent growth, deliver long-term value, and make Divine Hira a name synonymous with quality and trust in jewellery.

Annexure IV

Management Discussion & Analysis

• INDUSTRY STRUCTURE AND DEVELOPMENTS

The global jewellery industry continues to grow steadily, led by demand in Asia-Pacific, with India and China contributing the largest share. Rising disposable incomes, shifting consumer preferences toward branded products, and the tradition-driven demand for gold jewellery underpin the sector's resilience. In India, the organised jewellery market is witnessing accelerated growth due to mandatory hallmarking, consumer trust in certified products, and increasing penetration of lightweight and contemporary jewellery among younger demographics. The Indian market is also experiencing rising interest in platinum and diamond jewellery, complementing the strong base of gold. Overall, the industry outlook remains robust, supported by favourable demographics, cultural affinity, and digital adoption in retail.

• OPPORTUNITIES AND THREATS

The opportunities before the Company are driven by India's growing middle class, rising wedding and festive consumption, and an increasing preference for lightweight and designer jewellery. The introduction of platinum products and the consistent expansion of gold bar sales position Divine Hira to capture diversified consumer segments. However, the business is also exposed to threats, including volatility in gold and precious metal prices, regulatory changes, global economic uncertainties, and heightened competition from established organised players and local unorganised jewellers. Managing these risks through hedging, agile pricing, and strong brand positioning remains critical to sustaining growth.

• SEGMENT-WISE AND PRODUCT-WISE PERFORMANCE

During F.Y. 2023-2024, Divine Hira Jewellers recorded stable growth across its core segments, driven largely by sales of gold jewellery and bars. The momentum accelerated in F.Y. 2024-2025, with revenue increasing by 95.8% compared to the previous year, reaching ₹246 crore. This growth was primarily attributable to higher sales of gold bars and jewellery, coupled with the successful introduction of platinum bars as a new product line. Jewellery sales alone witnessed a 71% year-on-year increase in F.Y. 2024-2025 compared to F.Y. 2023-2024, reflecting both consumer preference for contemporary designs and the brand's strong positioning in key markets. The Company's flagship operations in Zaveri Bazar, Mumbai, supported by expanding wholesale and retail relationships in Tier-I and Tier-II cities, contributed significantly to this performance.

• DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial performance of the Company in F.Y. 2024-2025 mirrored the operational progress achieved during the year. Revenue growth of 95.8% was matched by a 274.9% surge in net profit, driven by improved sales volumes, an expanded product portfolio, and disciplined cost management. The introduction of new high-value products like platinum bars provided incremental revenue streams, while inventory management efficiencies enhanced turnover. The Current Ratio improved from 1.50 in F.Y. 2023-2024 to 2.97 in F.Y. 2024-2025, reflecting stronger liquidity. Debt-to-equity reduced significantly from 1.90 to 0.44, highlighting balance sheet strengthening post-IPO. Net Profit Margin nearly doubled from 0.80% in F.Y. 2023-2024 to 1.54% in F.Y. 2024-2025, underscoring improved operational efficiency despite gold price volatility.

• INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Divine Hira Jewellers has established internal control systems designed to ensure accuracy in financial reporting, safeguarding of assets, and strict compliance with applicable laws and regulations. Regular internal and statutory audits are carried out to review the effectiveness of these controls, while ERP-enabled processes strengthen supply chain visibility and inventory management.

• MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

Human capital remains at the heart of the Company's growth journey. As of F.Y. 2024-2025, Divine Hira Jewellers employed nine people, including skilled artisans, operational staff, and management professionals. The Company recognises the importance of artisan welfare and is committed to providing training in modern design techniques, CAD/CAM tools, and craftsmanship upgrades while preserving traditional artistry. 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Accounting Standards specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2025, and its profit, its cash flows for the period ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting standards specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

10. We communicate with Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Annexure B**Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

1. In conjunction with our audit of the financial statements of **DIVINE HIRA JEWELLERS LIMITED** ('the Company') as at and for the period ended 31 March 2025, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future year are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note

- a: The improvement in the current ratio is primarily due to an increase in current assets, including receivables and cash equivalents, and a reduction in current liabilities.
- b: The significant drop in the debt-equity ratio is due to infusion of equity capital during the year.
- c: Improved debt service coverage ratio improved primarily due to an increase in operating profitability and reduction in finance costs.
- d: A slight decline in ROE is primarily attributable to an increase in the equity base due to capital infusion, while the net profit has remained largely stable. As ROE is calculated as Net Profit divided by Average Equity, the disproportionate growth between the numerator and denominator has led to a marginal decline in the ratio.
- e: A marginal decline in inventory turnover, primarily due to higher average inventory levels maintained during the year.
- f: The improvement in the interest service coverage ratio is mainly attributable to higher operating earnings.
- g: The improvement trade receivables turnover ratio is primarily due to faster realization of dues, strengthened collection mechanisms, and tighter credit controls implemented during the year.
- h: Data for trade payables turnover ratio is not available, due to insignificant amount of accounts payable during the year.
- i: The Net Capital Turnover Ratio declined is primarily due to an increase in net working capital on account of higher receivables and inventory levels.
- j: The net profit ratio improved primarily due to higher operating margins and a reduction in finance costs.
- k: The return on capital employed (ROCE) increased primarily due to an increase in operating profit and improved working capital efficiency.
